TOWN REPORT COVER

Our Town Report covers the year 1976 the year of our nation's Bicentennial. It was suggested by the Bicentennial Committee and Selectmen that it might by appropriate to have on the cover a picture of the new bronze plaque dedicated to those who served from Fitzwilliam in the American Revolutionary War.

Those who won our independence believed liberty to be the secret of happiness and courage to be the secret of liberty. To these men, our report is dedicated.

The Bicentennial Committee hopes to have this plaque placed on the granite boulder in the Village Common and its dedication on Memorial Day in 1977.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1977

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire in said State, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the eighth day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1: to bring in your votes for the election of one Selectman for three years, one Town Clerk for three years, one Tax Collector for three years, one Town Treasurer for three years, one Trustee of Trust Funds for three years, one Trustee of Trust Funds for one year, one Cemetery Commissioner for three years, one Trustee of Library for three years, two members of the Budget Committee for three years, one member of the Budget Committee for two years, one Fireward for one year, one Fireward for two years, one Fireward for three years, and three Commissioners of the Plante Memorial Park for one year. Polls will be open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or at such later time as shall be authorized by vote of the Town.

ARTICLE 2: to hear and act upon reports of agents, committees and officers heretofore chosen.

ARTICLE 3: to see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 4: to see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated, or take any other action thereon:

APPROPRIATION	AMOUNTS
Highway Department	$14,514.00
Police Department	5,000.00
Fire Department	3,000.00
TOTAL	$22,514.00

ARTICLE 5; to see if the Town will vote to raise and appropriate the sum of $5,000.00 for the purchase of a 3/4 ton pickup truck equipped with a snowplow, for the use of the Highway Department, and to authorize the Selectmen to trade or otherwise exchange the Highway Department's present 3/4 ton pickup truck in connection with said purchase, or take any action thereon.

ARTICLE 6: to see if the Town will vote to raise and appropriate the sum of $10,000.00 for the crushing of gravel, or take any action thereon.

ARTICLE 7: to see if the Town will vote to raise and appropriate the sum of $48,000.00 for the purchase of a new fire truck, such appropriation to be financed by the withdrawal of $36,000.00 plus accrued interest from the Fire Department Capital Reserve Fund, and the balance to be paid out of the present year's revenues, and to authorize the fire-wards to complete said purchase on behalf of the Town, provided that any funds left from the purchase of this vehicle shall revert to the Fire Department Capital Reserve Fund, or take any action thereon.

ARTICLE 8: to see if the Town will vote to raise and appropriate the sum of $99,500.00 to purchase the land, buildings and equipment now owned by the Fitzwilliam Conservation Corporation, or take any action thereon.

ARTICLE 9: to hear the report of the Budget Committee and pass any vote in relation thereto.

ARTICLE 10: to see if the Town will vote to accept the sum of $500.00 from the Fitzwilliam Bicentennial Committee, said sum to be added to the capital reserve fund previously established for the preparation of a town history, or take any action thereon.

ARTICLE 11: to see if the Town will vote to accept a gift from the heirs of Marshall P. Whitcomb of land owned by the said Marshall P. Whitcomb at the time of his death, located on the northerly side of Route 119 and off of the easterly side of the Old Troy Road, or take any action thereon.

ARTICLE 12: to see if the Town will vote to authorize the Board of Selectmen to trade, sell, or otherwise dispose of any unusable Fire Department equipment, Police Department equipment, Highway Department equipment, or the equipment of other departments not needed for town use, or take any action thereon.

ARTICLE 13: to see if the Town will vote to authorize the Selectmen to sell, at public or private sale, the old fire station land and/or building, as recommended in a report of the fire station Building Committee as printed in the 1971 annual report, or take any action thereon.

ARTICLE 14: to see if the Town will vote to authorize the Selectmen to apply for, to accept, and expend, on behalf of the Town, or any department thereof, any and all grants or other funds for municipal purposes which may now or hereafter be forthcoming over and above the total appropriation voted by the Town.

ARTICLE 15: to choose and elect any other officers or committees not otherwise provided for, or take any action thereon.

Given under our hands and seals this 17th day of February in the year of Our Lord, nineteen hundred and seventy-seven.

SELECTMEN'S REPORT

This past year has been an eventful one for our country, with bicentennial programs that reached into every community of our land and a presidential election. It is fitting that we in our small community take note of the 200th birthday of our nation and plan for the future with the hope that we may have the wisdom and foresight to make the right decisions.

Throughout this Annual Town Report you will find the reports of the several officers of the town and of the committees and commissions who have labored in behalf of the town this past year. In this Selectmen's Report no attempt will be made to supplement those reports except to say thank you to all who have given countless hours to plan, carry out and take part in the many functions to which they were committed.

Looking ahead the Board does wish to suggest several projects to which the town should direct it's attention. First priority should probably be given to the reappraisal of all of the property of the town. It has been 10 years since the last appraisal and property values have risen rapidly, especially the value of land. How and when this is to be done is a matter for the voters to decide. The cost for a complete reappraisal, with new property cards, has been estimated at $26,000. by a private firm and $27,000. by the state. It can reasonably be expected that it would take about 3 years for the work to be completed. To preserve the records we now have the Selectmen purchased a locking insulated file in which to store them.

A second project which should be planned for in the near future is the painting of the exterior of the Town Hall. This was last done in 1967 at a cost of approximately $12,000. The job which was done then has stood up well but this historical building must not be neglected.

From time to time property owners have surveys made of their land. The Board urge that a copy of such surveys be presented to the Selectmen's office for comparison with the Town Tax Map so that any necessary corrections may be made. The maps are updated each year, usually in the month of April.

The Board would also stress the importance of returning the Property Inventory forms. The failure to return an inventory automatically disqualifies a property owner from consideration in the event of a tax appeal. Also legislation is currently under consideration which would establish a penalty of $10.00 for the failure to return an inventory. This penalty would be added to the property owners tax bill.

As we enter the 3d century of our nations history the population of our town is estimated to be 1466 by the New Hampshire Office of Comprehensive Planning. Our check list shows 980 registered voters, 485 males and 495 females. It is also interesting to note that the Town Clerk's records show only 14 births in 1976. This is the same number of births as was registered in 1950 when the population of the town was 872.

During the past year 18 building permits were issued, 9 were for residential purposes, 4 for additions or alterations and 5 for other structures.

The Board of Selectmen meet regularly on Wednesday evenings from 7 to 9 P.M. Any who have problems or other matters which they would like to discuss with the board are welcome to attend. We are also glad to make available the many historical records of the town to those who my be interested.

Respectfully submitted,
Howard C. Holman

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Town Office
Fitzwilliam, N. H. 03447

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1976, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk for retention as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Village Precinct, and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets - December 31, 1975 and December 31, 1976: (Exhibit A-1)

Comparative balance sheets which disclose the financial condition of the general fund as of December 31, 1975 and December 31, 1976, are presented in Exhibit A-1. As indicated therein, the current surplus of the town increased by $19,271 from $76,410 to $95,681 during the fiscal year ended December 31, 1976.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increases in Current Surplus:		
Net Budget Surplus	$58,777	
Tax Collector's Excess Credits (Net)	494	
		$59,271
Decrease in Current Surplus:		
Surplus Used to Reduce Tax Rate		40,000
Net Increase in Current Surplus		$19,271

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1976, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a revenue surplus of $30,282, plus a net unexpended balance of appropriations of $28,495, resulted in a net budget surplus of $58,777.

Long-Term Indebtedness:

Balance Sheet - December 31, 1976: (Exhibit A-5)

A balance sheet showing the outstanding long-term indebtedness of the Town as of December 31, 1976 is contained in Exhibit A-5. As indicated therein, the outstanding long-term indebtedness amounted to $17,300 at December 31, 1976.

Statement of Debt Service Requirements: (Exhibit A-6)

A statement showing annual debt service requirements of principal and interest as of December 31, 1976, is presented in Exhibit A-6.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of general fund receipts and expenditures for the fiscal year ended December 31, 1976, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1.

Revenue Sharing Fund: (Exhibit B-2)

The fiscal activity in the Revenue Sharing Fund account during the year is disclosed in Exhibit B-2.

As stated therein, unappropriated funds at January 1, 1976 amounted to $25,159. During the year entitlement payments of $15,885 were received and $1,043 was derived from investments of idle funds. Authorized expenditures of $25,159 were made pursuant to the vote of the Town. Unexpended funds at December 31, 1976 totaled $16,928.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Long-Term Note Issued Contrary to R.S.A. 33:8:

R.S.A. 33:8 states in part, "Except as otherwise specifically provided by law, the issue of bonds or notes by any municipal corporation, except a city, shall be authorized by a vote of two-thirds, xxx, of all the voters present and voting at an annual or special meeting of such corporation, called for the purpose.xxx."

Article 6 of the 1976 town meeting authorized the Selectmen to issue a one year note with interest at such rate as the Selectmen shall deem in the best interest of the Town. The article passed as written with no mention indicated that the vote obtained the necessary two-thirds of the voters present.

Road Toll Refunds:

It was noted that claims for refund of State Tax on gasoline used by town vehicles are not filed with the State Agency on a timely basis in all instances. We recommend that such claims be filed at least on a quarterly basis.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the

discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Very truly yours,

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Fitzwilliam for the fiscal year ended December 31, 1976.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of sources of revenues and expenditures present fairly the financial position of the Town of Fitzwilliam at December 31, 1976, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Very truly yours,

ROAD AGENTS REPORT

The reguler summer and winter work was done. Many small culverts were installed and a large culvert was installed on the West Lake Road to replace an old granite top bridge. A large culvert was installed on the Warren Hill Road and the curve was straightened out. The school bus travels that road.

Able Road was widened with a sand base and crushed graveled. Many sections of black top roads were repaired with hot top and farmers mix and much cold patching was done. A total of approximately 12 miles of black top was tarred.

TOWN BARN COMMITTEE REPORT

Negotiations were completed this fall and approximately seven acres of land purchased to provide a location for the highway department.

An application was submitted in November to fund a project under the Public Works Act of 1976. The committee together with the board of Selectmen and Keyes Associates requested funds to build a municiple services building. This building would have provided space for both the highway and Police departments. Our application was turned down.

A recommendatinn was made to the Budget Committee that $60,000. be appropriated for the construction of a highway department garage. This would provide a building with two maintenance bays, an office for the agent, and toilet facilities complete with utilities. Two estimates on the basic building were obtained, one for block construction and a wood trussed roof, the other for a steel building. In both cases the basic building cost was estimated around $45,000. The cost for clearing. grubbing, excavation fill and grading was estimated at $5,000., and the cost of providing water and sewage disposal was estimated at $5,000. The final $5,000. was earmarked for installation of a gasoline tank, compressed air system, welding equipment work benches, lockers, and other miscellaneous equipment necessary to complete the project.

The refusal of the budget committee to recommend funds for this project effectively kills any chance of legally appropriating the funds at town meeting. Consequently no article has been inserted in this years warrant relative to this matter.

It should be noted that the present facilities remain inadequate. Neither the building nor the doors are large enough to handle the equipment. Heat is provided by a house built wood stove which is only effective when you are standing next to it. Therë is not adequate lighting, and the entire electrical system is unsafe. There is no running water and no toilet facilities. Under these conditions performing maintenance on town equipment is extremely difficult.

The recommendation is made that repairs to the existing building be made to allow for the continued use of this building, and the elimination of serious safety defects. This recommendation is made very reluctantly since its the committees opinion that the money would be better spent on a new facility.

The recommendation is made that this committee having completed its assigned task be dissolved.

FITZWILLIAM PLANNING BOARD
REPORT 1976

Eight request for sub-division were brought before the Planning Board during 1976; seven were approved and one was denied.

One instance of a swap of 1.2 acres for a one acre lot in order to tie together two lots that were separated by the 1.2 acres was approved.

The sub-division request that was denied concerned dividing 1.2 acres into three lots on the East shore of Laurel Lake. This request has been taken to the Board of Adjustment for appeal.

One of the major problems that has to be settled by the Board is the status of roads into sub-divisions. The public seems to feel that when requesting a sub-division the road or roads involved should be serviced by the Town. With approximately 50 miles of Town Roads to service it is obvious that the citizens of Fitzwilliam cannot afford to take on new roads or re-open old ones that have been closed over the years. When a sub-divider builds private roads he is required to build them to Town specifications and maintain them in good condition-this is especially important in case of emergencies such as fire.

A new member, Jim Ayers, joined the Planning Board in December. Mr. Ayers replaces Nat Bowditch who resigned when he moved to Peterborough in late September.

Respectfully submitted,

Frederick W.Regan, Chm.

FIREWARDS REPORT

1976 CALLS

The Fitzwilliam Fire Department responded to 90 calls in the period from December 1, 1975 through November 30, 1976. These calls included 15 house fires, 5 car fires, 7 chimney fires, 6 grass and brush fires, and 6 calls to the dump. There were also 6 Mutual Aid calls to surrounding towns. The balance of the calls were for medical emergencies (36) and car accidents (9). Fortunately, the damage in most instances was not extensive, although we did have 2 serious house fires.

NEW FIRE TRUCK

As you will see under Article 7 of the warrant for the annual meeting, the firewards are requesting $48,000.00 for the purchase of a new fire truck. Due to the large number of capital projects in recent years, the firewards have deferred asking the Town for a new vehicle. However, consistent with good planning for the long range, we feel it is necessary to request a new truck at this time. The normal "step plan" would provide for a new vehicle each 10 years. The 1965 International 750 gallon per minute (GPM) Midship pumper is now twelve years old, and the 1954 Ford 500 GPM frontend pumper is now 23 years old. Although we have had some quotes for vehicles in the vicinity of $40,000, we do not feel that the equipment presented at that price measures up to the standards which we must have for quality equipment to last over a long period of time. More recent quotes received on our specifications indicate prices in excess of $50,000 for a 1000 GPM pumper with a 750 gallon tank capacity. Although the later price quotes have been higher, the equipment offered appears to be of significantly higher quality.

As of last year's report, it was hoped that a vehicle could be purchased strictly out of the capital reserve fund with accumulated interest. Due to rapidly increasing prices, we now feel that additional money will be necessary from current year's taxes. With the present value of the capital reserve fund, in the total appropriation of $48,000, we would be asking for slightly more than $11,000 in current tax money. This is a significant expense, but the firewards feel that it is in the best interest of a growing town, and would request your support for Article 7.

AMBULANCE COVERAGE

After the firewards' report of last year, the Troy Emergency and Ambulance Service (TEASI) started functioning full time. TEASI services the entire Town of Fitzwilliam at no charge. It is supported by donations from the citizens in the Towns of Troy and Fitzwilliam, and it is anticipated that an annual appeal will be made to citizens of Fitzwilliam to support the continuing work of TEASI. The firewards urge your financial support to this group.

RESCUE WORK

As indicated in the report of 1976 calls, the number of medical emergencies and accidents was fairly substantial, and appears to be increasing with each passing year. It should be noted that the Fire Department's response to rescue calls is at no charge to the Town or its individual citizens. The members of this group are dedicated to maintaining life support functions until the arrival of the ambulance.

RESCUE/EQUIPMENT VEHICLE

The Fire Department has been working for the past two years to raise money for a new rescue vehicle. This effort was sidelined somewhat in the last year as an accommodation to the attempts of TEASI to raise money for its new ambulance. However, there is a great need to have a separate vehicle responding to accidents and medical emergencies to take the burden off of our main fire trucks. At present, approximately $2,500 has been either donated by the citizens or raised by department personnel. In the very near future, the membership of the Fitzwilliam Fire Department will be considering raising the balance of the funds necessary to purchase a rescue and equipment vehicle. Although the vehicle would be purchased substantially by fire department funds, as well as donations, it would be a town vehicle when placed in service.

SPECIAL PROJECTS

The Fitzwilliam Fire Department has continued to have its Fourth of July barbecue, lawn party and fireworks. The 1976 Bicentennial fireworks display was enjoyed by a crowd of 3,000 to 4,000 people.

The department also sponsors the annual sled dog races in early January. The races this year were aided by good weather and a substantial amount of new snow.

The fire department also provides the lighting for the Christmas tree in the Village Common. The equipment used for this project is getting old, and is in need of replacement In addition, we have had difficulties with vandalism in recent years. Notwithstanding these problems, the department hopes to continue with this project, and to have Christmas lighting in the Depot Common also.

MEADOWOOD COUNTY AREA FIRE DEPARTMENT

Each year we express our thanks to the Meadowood County Area Fire Department for the services of its men and equipment. All Meadowood services are provided to the town free of charge, and those interested in supporting its projects are urged to donate as much as possible to allow Meadowood to continue its operations.

This year we offer a special congratulations to Meadowood on the acquisition of their new rescue vehicle. This new vehicle serves as support to local surrounding towns for medical emergencies, automobile accidents and general fire service.

TOWN SUPPORT

The firewards thank the citizens of Fitzwilliam for their past generous support for the fire departments' efforts. We would be glad to answer questions at any time as to the nature of our equipment, and the services we provide.

FITZWILLIAM POLICE DEPARTMENT
ANNUAL REPORT

Overall, the Bicentennial Year was a successful year for this department. Significant reductions in crime and highway disasters lead the good points of the year, followed by continued federal financial support in manpower and equipment costs.

Services relating to our Crime Prevention Program after a complete season, have been utilized considerably. Property check, the most frequently used service, numbered over 6,600. This is certainly relative to some extent to the substantial decrease in property crime for 1976. In spite of this success, diligent community co-operation is a must to maintain effective crime prevention. and to continue to reduce current levels of crime.

Traffic accidents continue to top the bill in statistics. The most misunderstood fact is that most aren't accidents, and that they too can be prevented.

Fitzwilliam Police, for all intents and purposes, has reached the point where we are operating at maximum efficiency with what resources are available. Future growth requires study to ascertain what the Town wants of its police. To evaluate this area, we intend to initiate a community wide survey to study possible growth areas. I urge all surveyed to reply, and to reply responsibly.

We are most fortunate to have good working relationships with area agencies as well as our own community. We appreciate these relationships and the assistance we've received, and trust they will continue.

The proposed budget for this year is designed to provide essentially the same operations as 1976, with additional funds for training and more adequate service type costs. Any substantial planned growth will yield to results of the upcoming research study.

As in the previous year, noteworthy statistics are listed below. Should anyone require a complete breakdown of the year's activities, please contact our office.

LIBRARIAN'S REPORT 1976

Library circulation remained high in 1976 with a total of 9,820 books, magazines and records circulating. Eight-hundred-fifty-five books were borrowed from the N.H. State Bookmobile for circulation in Fitzwilliam. Eighty books were received from the State Library and lent on special orders for individuals.

Two-hundred-ninety-eight new books were acquired during the year. The Friends of the Library in addition to paying for all adult fiction have continued assistance with junior fiction through 1976. Trust fund money was used to purchase non-fiction and magazines. Thirty-one new books were added to the Sean Leary Memorial shelf.

Ruth Fletcher conducted a summer reading program for Juniors and Paula Baldwin had a weekly summer Story-Hour for pre-schoolers.

Substitutes who carried out Ruth Fletcher's duties during the winter months of 1976 were: Violet Lundsted, Mabel Sturtevant, Mary Schumann and Wilma Farrar.

Volunteers whose invaluable help and many hours of work need recognition are Mary Schumann and Isabelle Bowworth for assisting the librarians with book selection every two months and Harriet Underwood and Dorothy O'Meara for their labors weeding and re-arranging books in the stacks.

One-hundred-forty-five obsolete books were discarded from adult fiction.

The fire escape which was installed last autumn now enables groups to use the upstairs meeting rooms.

With the financial assistance of Eleanor Ferguson and the Friends of the Library we have acquired a steel file in which we plan to set up a Vertical File of pamphlet materials useful to both adults and juniors.

The Library Statement of Policy was revised as a result of a project in the course I took last spring.

Friends of the Library continued covering all books with plastic jackets before they are shelved.

The 1976 Library program as carried out should continue to meet the qualifications set by the Statewide Library Development Program.

Respectfully submitted,

Mary Thompson, Librarian

Bicentennial Committee Report

In the 1975 Town Report the Committee outlined its plans for events in 1976 for the celebration of the nations' Bicentennial of the American Revolution.

Entering the year 1976, along with the matching grants from the New Hampshire Bicentennial Commission, gave the Fitzwilliam Committee a total of $2,100. In March the Town voted to give the committee an additional $500 towards a bronze marker with the names of the 88 men who saw service in the American Revolution from Fitzwilliam.

The projects "The Story of Fitzwilliam" by Richard West, the Crafts Day and band concerts brought expenditures by the committee to $1,800. The cost of the bronze marker was an additional $1,300, giving our total outlay of $3,100.

Our sales of our booklet by Richard West covered our cost, plus giving us a surplus of $1,000. The committee would like to return this money to the Town by giving $500 to the Fitzwilliam Library for the purchase of books of a historical nature and it is hoped that $500 will be accepted by the Town (by vote) for a future town history.

The committee wishes to thank all who helped and took part in an eventful year: Project Committee. " The Story of Fitzwilliam", Richard West, Frances Yasvin. Jane Roberts and Robert Corrette. Project Committee: Colonial Crafts Day, Jane Roberts, Frances Yasvin, and Roderic Beauregard. Project Committee: Bronze Plaque, Robert Schumann Kurt Schimke, and Clyde Huntoon. Project Committee: Band Concerts Jesse Davis, Thomas Parker. Special painting of General Reed by Mr. John Eckberg.

I believe our committee also included another four parts: - "Smiles, and tears, profanity and prayers". I believe we executed all four during this past year.

Respectfully submitted,

Robert Corrette. Chrm.

DUMP COMMITTEE REPORT

The present town dump is unacceptable to the State of New Hampshire and the EPA. The town is under order of the State to cease open burning as of 1 July 1977. At the same time, the town is bound by State law to provide a dump for its citizens.

The committee investigated numerous alternatives to the present dump including pelletization. landfills, recycling, incineration, compaction and hogs. Briefly the findings:

PELLETIZATION - It was found to be expensive to buy a pelletizer there was no ready market for the pellets. and the Town did not generate enough garbage to make the system economically feasible.

LANDFILLS - There is not a good site within the town that will meet state requirements. last long enough to make it worthwhile, and be cheap enough for the town to afford. Moreover landfills require vast amounts of gravel cover which is also not available.

RECYCLING - Glass, metal, paper and possibly plastics can be recycled at no cost to the town. However, much of the present dump is non-recyclable material and would still have to be disposed in some manner.

INCINERATION - An incinerator for a town this size would cost $65,000. and have a life expectancy of 15 years. In addition, a building and pad would have to be provided plus water and fuel.

COMPACTION - The weekly rent of an installed compactor and the hauling of one load to Keene or Jaffrey would be $150.00. The cost of using the Jaffrey landfill would be $6.00 a ton. One compactor load would weigh between 4 and 6 tons.

HOGS - It was discovered that for every 3 pounds of garbage consumed by hogs they produced 5 pounds of manure creating a disposal problem of their own. It would also be necessary to have several goats for the cans and washing machines that might accumulate.

The committee recommends the following course of action: Maximize recycling. It costs the town nothing. The committee also recommends the separation of trash before it enters the dump into the categories of glass, metal, paper, and other be MANDATORY. The leftovers from recycling the committee recommends. be compacted and taken to the cheapest available landfill operation.

The committee feels that this course of action will leave the town in the best position for future years. If a cheaper alternative comes along, such as regional pelletization, the town would not have to sacrifice an investment in an incinerator or landfill in order to join the new operation.

Repectfully
THE DUMP COMMITTEE
